

MOTHER!

Move Child's Bowels with
"California Fig Syrup"

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, a teaspoonful will never fail to open the bowels. In a few hours you can see for yourself how thoroughly it works all the constipation, sour bile and waste from the tender, little bowels and gives you a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother, you must say "California" or you may get an imitation fig syrup.

R. L. LOCOMOTIVE ORDER.
Fourteen Mikados for Freight Service
To Be Delivered This Winter.

The Rock Island railroad has ordered
from the American Locomotive
works fourteen Mikado locomotives
for freight service, to be delivered
during December, 1921, and January,
1922, officials in Topeka announced
today. This order supplements the
order of thirty-five locomotives pur-
chased by the Rock Island last year,
all of which have been delivered and
are in service. The new order of locos-
tives will increase materially the
freight motive power of the Rock
Island in readiness for next year's
traffic.

The Rock Island also has ordered
from the General American Locomotive
company two hundred composite coal cars,
which will be delivered during Decem-
ber of this year.

coat.

ANOTHER WOMAN
ESCAPES

Mrs. McCumber Avoided a Serious
Operation by Taking Lydia E.
Pinkham's Vegetable Com-
pound in Time

Georgetown, Ill.—"After my first
baby was born I suffered so with my
left side that I could not walk across the
floor unless I was all
humped over, holding
to my side. I doc-
tored with several
doctors but found no
relief and they said
I would have to have
an operation. My
mother insisted on
my taking Lydia E.
Pinkham's Vegeta-
ble Compound and I
soon found relief. Now I can do all my
own work and it is the Vegetable Com-
pound that has saved me from an opera-
tion. I cannot praise your medicine too
highly and I tell all of my friends and
neighbors what the Compound did for
me." — Mrs. MARGARET MCCUMBER,
27 S. Franklin St., Georgetown, Illinois.
Mrs. McCumber is one of the unnum-
bered thousands of housewives who
struggle to keep about their daily tasks,
while suffering from ailments peculiar
to women with backache, aches, and
headaches bearing down pains and nerv-
ousness, and if every such woman
should profit by her experience and give
Lydia E. Pinkham's Vegetable Com-
pound a trial they would get well.
